PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.181(a)

MAIL STOP PETITION
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

Formal drawings were due in the Patent Office in connection with the above-identified application by September 15, 2005. A Notice of Abandonment was issued on February 2, 2006, citing applicant's failure to timely file the drawings as reason for the abandonment.

Applicant did in fact mail these formal drawings to the Patent Office on August 9, 2005. A copy of a document entitled "Submission of Formal Drawings" showing the 37 C.F.R. § 1.8 certificate of mailing date as August 9, 2005 is attached, together with copies of the 13 sheets of drawings. Also attached is a copy of the return postcard that

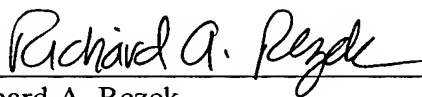

accompanied the Submission of Formal Drawings. This postcard has been stamped by the Patent Office Mail Room as being received on August 11, 2005.

Applicant believes that the attached documents provide sufficient evidence to withdraw the holding of abandonment. Accordingly, applicant respectfully requests that these formal drawings be entered into the file of this application and that the holding of abandonment be withdrawn.

Applicant does not believe that there are any fees due in connection with this petition. However, if the Patent Office finds that any fees are due, please charge such fees to our Deposit Account No. 10-0435.

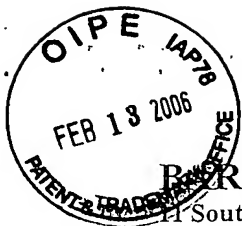

Respectfully submitted,

BARNES & THORNBURG
